*The Christian life is not by effort, and not by struggle; not merely by trying to put into practice certain maxims, or by trying to attain to a certain measure; but from beginning to end, and all together, it is a matter of knowing the Lord Jesus within. -- T. Austin-Sparks*

## Important "Tips" For Easter Sunday

- Be Early! - there will be many people here Sunday so it helps a lot if our "home" folks are here before the rush of guests.
- Be Considerate of Guests! - If someone is sitting where you normally sit, don't sweat it. Be ready to greet with a smile and a word of encouragement.
- Be available! - If you see that someone needs help greeting, ushering, or even picking up trash - pitch in and help. The smallest act of service could have a huge impact on Easter Sunday.

## FROM THE PASTOR CONNECTIONS

This month we will celebrate the greatest event in human history...Easter!! It is all about celebrating! Celebrating life! Celebrating the resurrection of our Savior, Jesus Christ! Because He lives, we can face tomorrow! Because He lives, you and I have the hope of living with Him forever!

Easter really is a big deal to celebrate! **Did You Know** that on Easter Sunday more people attend church than any other Sunday in a calendar year? I

will say that this was always the case for the Crook household when I was growing up.

Years before my dad became a Christian, and the Crook family was saved, we would always go to church somewhere on Easter Sunday. That's just what hundreds of thousands of families do on Easter. They go to Church on that Sunday looking for some kind of a connection.

For that reason, we are planning to have two identical worship services on Easter Sunday. Our first service will be at 8:00 a.m., Sunday School at 9:30, and the 2nd service will begin at 11:00 a.m.

So, let's get ready Kernan, here they come! We need every

member of KBBC helping out on Easter Sunday. We need to touch and greet every guest that comes on our campus. We want them to see, feel, and experience the living Christ in us while they

worship here on Easter! Will you help out? Will you serve Christ on this day? Will you help someone who is looking to make that connection with Jesus this Easter?

I will be teaching a class this

Sunday, March 28, at 9:30 on how we are to serve others, and especially be ready for this Easter Sunday, April 4th. During this hour of encouragement, and training, I will cover the "how to do's" of doing this servant ministry. Meet me in the Pastor's Reception Room at 9:30am if you are interested.

I will be looking for you to join me this Sunday as we prepare to celebrate Easter!

Blessings!

Bro William

"We need to touch and greet every guest that comes on our campus."

Hey Guys,

I want to encourage you right now to plan to join me at Man-Up, Living Authentic Faith, on Friday Night, April 16th.

It is one night. We will start serving some great food at 5pm up until 6:45pm, so there is a large window for you to get here after work. During the meal time, you will have an opportunity to ride a mechanical bull. There will be lot's of other "undisclosed" man stuff that you will not want to miss.

At 7pm, my brother, Jeff Crook, will lead us to examine many great men of the Bible in a way that is interesting, relevant and applicable to you and to me.

Man Up and get your tickets now in the main foyer. Bring your friends. You don't want to miss this awesome event.

**Sunday School is where it's at!**

That is, if you want to Grow in your knowledge of God, His Word, and how to live it out... make friends, and serve others.

By participating in a Sunday School class you will connect to God and to people in a way that is not possible by only going to a worship service.

Sunday School is the place you can study the Bible in a small group, ask questions and get answers.

The people you will encounter in your Sunday School class are going through the same challenges and have many of the same questions that you do.

Sunday School is where you find people that you learn to depend on in good times, or bad. People that you will call "friends" in a short period of time.

If you don't go to Sunday School, you are missing out on one of the greatest benefits that our church has for you. Try it out THIS Sunday and see for yourself.

Not sure where to go? Start at the front welcome center and friendly people will show you the way.
